

Texas Juvenile Justice Department  
**AUDIT REQUIREMENTS**

Issued September 30, 2014  
For the Fiscal Year Ended August 31, 2014

**I. Introduction**

The Texas Juvenile Justice Department (TJJD) requires an audit be completed annually in accordance with Generally Accepted Auditing Standards (GAAS) and *Government Auditing Standards* (GAS) for grant funds received from TJJD. The audit report for the fiscal year ended August 31, 2014 must be mailed in sufficient time in order for the report to be received by TJJD on or before March 1, 2015 and in accordance with this document. **Departments are strongly encouraged to send the audit reports electronically in PDF format to facilitate timely processing. Reports may be sent to the following email address - [Probation.Independent.Audits@tjjd.texas.gov](mailto:Probation.Independent.Audits@tjjd.texas.gov). Reports received after March 1, 2015 will be considered delinquent.** Departments should provide their independent auditor a copy of these audit requirements, each grant contract, corresponding quarterly expenditure reports, and any other relevant information. Forms such as prior year audit requirements, TJJD grants and financial information regarding each grant can be found at [www.tjjd.texas.gov](http://www.tjjd.texas.gov). The TJJD audit staff will assist you in completing any requests made regarding the following audit requirements.

**II. Changes – FY 2014**

Changes have been made to the fiscal year 2014 audit requirements as follows:

- Expenditures should be presented in new categories of Staff Services; Salaries and Fringe Benefits, Travel & Training, Operating Expenditures, Inter-County Contracts, and External Contracts, as defined in Section IV below.
- Section III. FY 2014 allowable rates for mileage are as follows: September 1, 2013 – December 31, 2013/\$0.565 per mile; January 1, 2014 – August 31, 2014/\$0.56 per mile.
- Departments are strongly encouraged to send the audit reports electronically in PDF format to facilitate timely processing. Reports may be sent to the following email address - [Probation.Independent.Audits@tjjd.texas.gov](mailto:Probation.Independent.Audits@tjjd.texas.gov).

**III. Special Considerations**

The following items should be considered in preparing the audit report for the year ended August 31, 2014:

- A. The balance sheet is optional.
- B. The Statement of Revenues, Expenditures and Changes in Fund Balance for each grant is limited to funds received from TJJD, i.e., Grants A, B, C, D, M, N, S, T, and W.

The **final approved budget** should be presented in the Statement of Revenues and Expenditures and Changes to Fund Balance by Contract-Budget to Actual. The following grants should be accounted for in the audit report. Certain grant funds will no longer be required to be reported in the Statement of Revenues and Expenditures, but their revenue activity is required to be disclosed in the footnotes. The following table summarizes the requirements.

	Reported in Statement of Revenues and Expenditures-Budget to Actual for the Year Ended 8/31/2014	Reported in Statement of Revenues and Expenditures-Budget to Actual for the Period Ended 8/31/2014 (Cumulative Basis)	TJJD Grant Revenue Received in the Current Year Disclosed in Notes to Financial Statements Only.

- C. The Grantee should use the accrual basis of accounting when preparing the fourth quarter and/or final expenditure report. (i.e., grant revenues and expenses are allocated to periods to which they apply, regardless of when they are actually received or paid).
- D. Since the revenues are reported on the accrual basis of accounting on the financial statements, refunds paid to TJJD either during the year or subsequent to year end should not be presented in the Statement of Revenues, Expenditures, and Changes in Fund Balance, but should be provided as additional information below the Statement.
- E. A note disclosing TJJD’s funding effect on all secure facility operations is mandatory. A separate expenditure schedule should be provided for each secure facility registered with TJJD for TJJD funding effect and/or local funding effect on all secure facility operations. TJJD expenditures disclosed should agree to the financial statements (i.e. the expenditures reported for a secure juvenile facility should agree to the expenditures for the respective Grant (A and C), or a reconciliation should be included. If the Department does not operate a secure juvenile facility, the note should include a disclosure stating that the Department does not operate a secure juvenile facility and thus the footnote should disclose operating costs to operate a secure juvenile facility is not applicable.
- F. TJJD requires a financial statement presentation that may result on an incomplete presentation of a Department’s assets, liabilities, revenue and expenses. The independent auditor should note that financial statements are presented in accordance with the financial reporting provisions of the Texas Juvenile Justice Department and are not intended to present the financial position or changes in financial position of the County.

- G. The year to date interest earned on funds received from TJJD should be disclosed in the notes to the combined financial statements only. A separate column should be included to disclose interest earned on Title IV-E program funds if applicable. If the juvenile probation office did not earn interest on funds received from TJJD, the column for TJJD funding should report "0". If the juvenile probation office did not earn interest on Title IV-E program funds, the column for Title IV-E funding should report "0".
- H. Idle grant funds shall be deposited in an interest bearing account. A statement disclosing whether the Department has idle funds and whether they are deposited in an interest bearing account is required. If the Department does not have idle funds, a statement and reason indicating why the Department does not have idle funds should be included.
- I. A confirmation of all reimbursements received under the Title IV-E Program (if applicable) should be disclosed by program year in the notes to the financial statements on a cash basis. This includes any direct and enhanced administrative claims for foster care reimbursement.
- J. A confirmation of all reimbursements received under the Grant P Juvenile Justice Alternative Education Program (if applicable) should be disclosed by program year in the notes to financial statements on a cash basis.
- K. Grant assurances are not required in the compliance report. Assurance testing is an audit requirement and exceptions should only be listed in the compliance report. The general assurances are listed in the State Financial Assistance Contract and General Grant Requirements, Article VIII, Section G, as well as assurances for specific grants should be tested for compliance which includes: Grant E-Title IV-E Federal Foster Care Reimbursement Program, Grant M-Special Needs Diversionary Programs, Grant P and W-JJAEP. The contracts are located on TJJD's website.
- L. The FY 2014 state allowable rates for mileage are:  
  
September 1, 2013 – December 31, 2013/\$0.565 per mile  
January 1 – August 31, 2014/\$0.56 cents per mile
- M. The Grantee shall ensure that county funding for juvenile services (i.e., juvenile probation services and juvenile justice programs) shall not be decreased or be supplanted by funding received under this grant. The Grantee shall certify that the amount of local or county funds expended for juvenile services is at least equal to or greater than the amount spent in the 2006 county fiscal year excluding construction and capital outlay expenses.

## INDEPENDENT AUDITOR'S REPORT

Members of the Board  
The Sample County Juvenile Board  
Sample County, Texas

We have audited the accompanying financial statements of the Texas Juvenile Justice Department Grant Funds of Sample County Juvenile Probation Department (Department), which comprise the statement of revenues, expenditures and changes in fund balances – budget and actual-regulatory basis for the year ended August 31, 2014 and the related notes to the financial statements. *[Note: If the financial statements include a balance sheet (which is optional), reference will include the balance sheet as of August 31, 2014].*

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Texas Juvenile Justice Department. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the revenue earned and expenditures incurred compared to budgeted revenues and expenditures of the Department's Texas Juvenile Justice Department Grant Funds for the year ended August 31, 2014, in accordance with the financial reporting provisions of the Texas Juvenile Justice Department as described in Note 1. *[Note: If the financial statements include a balance sheet, reference will include the balance sheet as of August 31, 2014].*

### **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of the financial reporting provisions of the Texas Juvenile Justice Department, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Texas Juvenile Justice Department. Our opinion is not modified with respect to that matter.

**Emphasis of Matter**

As discussed in Note 1, the financial statement presents the results of operations of the Department's Texas Juvenile Justice Department Grant Funds only and is not intended to present fairly the results of operations of the County in conformity with accounting principles generally accepted in the United States of America.

**Other Matters***Other Information*

*[Note: If supplementary information is included in the audit report, this paragraph is required. Refer to SAS No. 119 for additional information or modification of this sample].*

Our audit was conducted for the purpose of forming an opinion on the accompanying financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. The (refer to specific supplementary schedules) are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. *(If applicable, the following is required for supplemental schedules not subjected to auditing procedures)* The supplemental schedules XYZ have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated \_\_\_\_\_, on our consideration of the Department's internal control over financial reporting and on our tests of its compliance with certain laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sample County's internal control over financial reporting and compliance.

### Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standard*

***(No Material Weaknesses Identified, No Significant Deficiencies Identified, No Reportable Instances of Noncompliance or Other Matters Identified) – See Note Below***

#### Independent Auditor's Report

Members of the Board  
The Sample County Juvenile Board  
Sample County, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Texas Juvenile Justice Department Grant Funds of Sample County Juvenile Probation Department, and have issued our report thereon dated \_\_\_\_\_.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Sample County Juvenile Probation Department's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Sample County Juvenile Probation Department's internal control. Accordingly, we do not express an opinion on the effectiveness of Sample County Juvenile Probation Department's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sample County Juvenile Probation Department's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
