

SPIDER WEBS

Purpose & Focus

This activity focuses on problem solving and teamwork.

Participants

Teams of 4 to 6 participants.

Time Allotment

5 – 15 Minutes

Activity Level

Moderate

Materials

- Roll of crepe paper, tape, or string
- Tape (if using crepe paper or string)

Preparations

- This activity can be performed in a hallway opening.

Method

- Tape two pieces of crepe paper, tape, or string across a doorway, one at about three-and-a-half feet and the other around five feet. This paper is the poisonous spider web.
- Teams must get all their team members through the opening between the pieces of paper without touching the boundaries.
- Increase the difficulty by adding more pieces across the doorway.

Discussion

- How did working as a team pose challenges?
- How did working as a team help?
