

COMMONALITIES

Purpose & Focus

Finding commonality among groups of people.

Participants

Two or more teams of 4 to 5 participants.

Time Allotment

15 - 30 Minutes

Activity Level

Low

Materials

- Pencils or Pens
- Paper

Method

- Participants are divided into teams of 4 or 5.
- Teams have 2 minutes to come up with as many things as they can that they have in common.
 - Items need to be unique to this particular group, and not just things that everyone has in common (Like, "We all breathe").
 - The more unique things (like, "we all have a sister named Julie") are the better.
- If teams come with the same item, they both cross it off and it doesn't count.
- As facilitator, the Youth Development Coach is the final judge about what counts and what doesn't. You can decide that especially that especially good ones get double points.
