Update on COVID-19 at TJJD Facilities

February 2, 2022

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One employee at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, tested positive for COVID-19 last night.
- One employee at the Giddings State School tested positive for COVID-19 this morning.
- At this time, TJJD has 62 active cases across its facilities (35 staff and 27 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
