## Update on COVID-19 at TJJD Facilities

September 14, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One member of the medical staff at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, tested positive for COVID-19 this morning.
- TJJD currently has 27 active cases across its facilities (20 staff and 7 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
