Update on COVID-19 at TJJD Facilities

December 15, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One staff member at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, tested positive for COVID-19 this afternoon. This is the first new positive case at the agency since December 2.
- At this time, TJJD has two active cases across its facilities. Both cases involve staff members.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
