Update on COVID-19 at TJJD Facilities

December 23, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One Youth Development Coach at the Evins Regional Juvenile Center, in Edinburg, tested positive for COVID-19 this afternoon.
- At this time, TJJD has seven active cases across its facilities. All cases involve staff members.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
