## Update on COVID-19 at TJJD Facilities

December 28, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- Two youth at TJJD halfway houses tested positive for COVID-19 this morning.
- Two staff members at the Giddings State School tested positive for COVID-19 last night.
- One staff member at a TJJD halfway house tested positive for COVID-19 last night.
- Two Youth Development Coaches at the Gainesville State School tested positive for COVID-19 this morning. In addition, one staff member at Gainesville also tested positive this afternoon.
- At this time, TJJD has 76 active cases across its facilities (39 youth and 37 staff).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
