## Update on COVID-19 at TJJD Facilities

February 24, 2022

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- TJJD has not received a confirmed positive case in more than 72 hours.
- At this time, TJJD has 2 active cases across its facilities (1 staff and 1 youth).
- The TJJD Board will meet tomorrow morning at 9 o'clock at the Texas Capitol (E1.030). The public is invited to attend, or you can view the live-stream [here](#).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
