Update on COVID-19 at TJJJ Facilities

April 1, 2022

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- During March 2022, TJJJ confirmed 8 staff cases of COVID-19. Five of those cases were confirmed between March 22 and March 30.
- During March 2022, TJJJ had zero youth cases of COVID-19.
- At this time, TJJJ has 3 active cases across the agency. All of those cases involve staff.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJJ website](#).
