

Chapter: Medical – Legal Issues	Effective Date: 8/1/15
Title: Research	Page: 1 of 1
ACA: N/A	Replaces: HSP.11.05, 9/1/10

Standard.

The use of TJJD youth for medical, pharmaceutical, or cosmetic research is prohibited. This does not preclude individual treatment of a youth based on his or her need for a specific medical procedure that is not generally available.

Clinical research aimed at improving the care or conditions of confinement is not prohibited. Institutions electing to perform research must comply with all state and federal guidelines.
