DEPARTMENT

**MOU1418**

To Whom It May Concern:

This letter constitutes understanding of the agreement between the Texas Juvenile Justice Department (TJJD) and your organization, **Family Outreach of Denton County** that, in accordance with federal law, youth detained in TJJD facilities will be given or are currently given access to **Family Outreach of Denton County's** hotline number. This number is distributed to youth after it has been determined that the youth in question is the victim of sexual abuse and has refused the on-site counseling services offered by TJJD.

If, through the course of conversation with an employee or volunteer of **Family Outreach of Denton County** it is clear that the individual being counseled is 1) a youth at a TJJD facility, and 2) is a victim of a sexual act occurring while detained, TJJD requests that the employee or volunteer anonymously report the allegation to our Incident Reporting Center, either via email at [tjjd.irc@tjjd.texas.gov](mailto:tjjd.irc@tjjd.texas.gov) or phone at 1-866-477-8354.

If this letter accurately constitutes your understanding, please indicate agreement by signing the letter below.
