Article 4: Confidentiality and Security

Section 1: The Service Provider agrees that all of its employees will comply with state and federal law and with TJJD policies regarding the confidentiality of student records and identifying information.

Section 2: The Service Provider agrees that all information regarding the TJJD and/or its youth that is gathered, produced, or otherwise derived from this contract shall remain confidential and subject to release only by permission of the TJJD.

Section 3: The Service Provider's employees who visit any TJJD facility will comply with that facility's security regulations.

Section 4: Identifying pictures, appearances, films, or reports of TJJD youth may not be disclosed by the Service Provider without the written consent of the TJJD, of the youth and, if the youth is under age 18, of the youth's parents, guardian, or managing conservator.

Article 5: Administrative Error Sanctions

Section 1: In addition to its authority to terminate this contract under Article 6 below or under other provisions of this contract, based on information from monitoring or other verifiable sources, the TJJD may take other actions, including, but not limited to:

- a. Requiring the Service Provider to take specific corrective actions in order to remain in compliance with the terms of this contract; and/or
- b. Recouping payment made to the Service Provider; and/or
- c. Imposing recommendations from audit or investigative findings, and minor or major sanctions; and/or
- d. Assessing liquidated damages for each instance of non-compliance with the terms of this contract, such as liquidated damages equaling \$150 multiplied by the average daily population of TJJD youth placed with the Service Provider in the preceding month; and/or
- e. Suspending, placing into abeyance, or removing any contractual rights, including, but not limited to, withholding payment, moratorium on placements, population limitations, and/or removal of all youth presently in the program.

Section 2: The Service Provider shall cooperate fully with the TJJD and its authorized representatives in carrying out corrective action plans.

Article 6: Termination

Section 1: The Service Provider may terminate, for convenience, its obligations under this contract by giving thirty (30) days' written notice to the TJJD.

Section 2: The TJJD may terminate, for convenience, its obligations under this contract by giving thirty (30) days' written notice to the Service Provider.

Section 3: The TJJD shall terminate this contract in the event that the TJJD is not granted funding to pay for the herein described services or in the event that funding is lost due to either a reduction in the budget or a reallocation of budgeted funds.

Section 4: Cause/Default/Breach: If the Service Provider fails to provide the goods or services contracted for according to the provisions of this contract, or fails to comply with any terms or conditions of this contract, the TJJD may, upon written notice of default to the Service Provider, immediately terminate all or any part of this contract. Termination is not an exclusive remedy, but exists in addition to any other rights and remedies provided in equity, by law, or under this contract. The TJJD may exercise any other right, remedy, or privilege available to it under applicable law or may proceed by appropriate court action to enforce the provisions of this contract. The exercise of any of the foregoing remedies will not constitute a termination of this contract unless the TJJD notifies the Service Provider in writing prior to the exercise of such remedy. The Service Provider shall be liable for all costs and expenses, including court costs, incurred by the TJJD with respect to the enforcement of any of the remedies listed herein.

Article 7: Funding Out Clause

This contract is contingent upon the continued availability of funding. If funds become unavailable through lack of appropriations, legislative budget cuts, amendment of the Appropriations Act, state

agency consolidations, or any other disruption of current appropriations, provisions of the Termination Article shall apply. This contract is subject to termination, without penalty, either in whole or in part, if funds are not appropriated by the Texas Legislature.

Article 8: Waiver

No waiver by either party of any breach or default of the other under this contract shall operate as a waiver of any future or other breach or default, whether of a like or different character or nature.

Article 9: Severability

The provisions of this contract are severable. If any provision of this contract is determined by a court of law or other competent authority to be invalid and contrary to any federal, state, or local law, such invalidity shall not affect the other provisions or applications of this contract, which shall be given effect without the invalid provision or application.

Article 10: Contract Term

The entire term of this contract shall be for a period of 2 years, beginning on **September 1, 2016 through August 31, 2018**. This contract may be renewed for two (2) additional terms of two (2) years each, provided that both parties agree in writing to each renewal. Any renewals shall be at the same terms and conditions, including any approved changes. The rates and services may be renegotiated based on performance and required service delivery.

Article 11: Contract Amendment and Merger Clause

This contract encompasses the complete and entire agreement of the parties. Neither party has made nor relied on any representations, stipulations, nor agreements other than those expressly contained in this contract. No other agreements, oral or written, shall constitute a part of this contract unless such is made in writing, executed by the parties hereto or their successors, and expressly made a part of this contract. This contract may only be amended or supplemented in writing, executed by the parties hereto or their successors, and expressly made a part of this contract, except that the TJJD reserves the right to make unilateral minor administrative changes to correct typographical errors, change the TJJD contract identification number, or increase the "not to exceed" amount if necessary for continuation of services.

Article 12: Notice of Changes

Section 1: The Service Provider shall notify the TJJD immediately in writing in advance of any significant change affecting the Service Provider, including, but not limited to, change of the Service Provider's name or identity, location of services, ownership or control, operating entity, governing board membership, key personnel, payee identification number, and any other significant changes that may affect the delivery of services under the terms of this contract.

Article 15: Problem Solving in the Ordinary Course of Business

Section 1: The parties to this contract shall use the procedures contained in this Article for routine problem solving. These procedures may also be used if a party is asserting a claim for breach of contract. Should these procedures not resolve claims for breach of this contract, the procedures contained in Article 16 shall be followed thereafter.

Section 2: Informal Resolution: The Service Provider and the TJJJ staff will communicate regularly and engage in informal problem solving efforts as a routine measure, thus preventing differences from becoming major problems. When routine measures have been exhausted, the Service Provider and the TJJJ staff are encouraged to utilize the following mechanism to resolve problems.

Section 3: Formal Resolution:

- a. The Service Provider or TJJJ staff who wishes to submit problems for resolution may do so in writing, including all relevant information and a recommended resolution (Statement of Problem).
- b. The Statement of Problem will be submitted to the designated contact, the Director of Business Services and Contracts, unless the problem specifically involves the designated contact, in which case, it will be submitted to the designated contact's supervisor.
- c. Problems are to be addressed within ten (10) working days; a written decision will be sent to the individual or program that submitted it, to the designated contact, and to the designated contact's supervisor.

Section 4: Appeal: The Service Provider or the TJJJ staff desiring to appeal the decision may do so in writing within ten (10) working days of the date of the written decision by providing all pertinent information relevant to the appeal to the designated contact's supervisor if the problem was addressed by the designated contact, or to the Director of Contracts, Procurement and Support Services if the problem was addressed by the designated contact's supervisor. When appealed, the problem shall be addressed within fourteen (14) working days, with written responses sent to the individual or program who submitted it, the designated contact, the designated contact's supervisor, and the Director of Contracts, Procurement and Support Services.

Article 16: Claims for Breach of Contract

Section 1: The dispute resolution process provided for in Chapter 2260 of the Texas Government Code, as further described herein, must be used by the TJJD and the Service Provider to attempt to resolve any claim for breach of contract made by the Service Provider.

- a. The Service Provider's claim for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, Subchapter B, of the Texas Government Code. To initiate the process, the Service Provider shall submit written notice to the TJJD Executive Director no later than 180 days after the date of the event that gave rise to the claim, stated with particularity as outlined in Section 2260.051. Additionally, said notice shall specifically state that the provisions of Chapter 2260, Subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of the TJJD and the Service Provider as would otherwise be entitled to notice under the parties' contract. Compliance by the Service Provider with Subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, Subchapter C, of the Texas Government Code.
- b. The contested case process provided in Chapter 2260, Subchapter C, of the Texas Government Code is the Service Provider's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by the TJJD if the parties are unable to resolve their disputes under subparagraph A. of this paragraph.
- c. Compliance with the contested case process provided in Subchapter C is a condition precedent to seeking consent to sue from the Texas Legislature under Chapter 107 of the Texas Civil Practices and Remedies Code. Neither the execution of this contract by the TJJD nor any other conduct of any representative of the TJJD relating to this contract shall be considered a waiver of sovereign immunity to suit.

Section 2: The submission, processing, and resolution of the Service Provider's claim is governed by the published rules adopted by the TJJD pursuant to Chapter 2260 of the Texas Government Code, as currently effective, hereafter enacted, or subsequently amended.

Section 3: Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Service Provider, in whole or in part.

Article 17: No Third Party Beneficiaries

The terms of this contract are for the sole benefit of the parties to this contract and will not be construed to confer any rights on any other person.

Article 18: Audit Clause

Pursuant to Chapter 321 of the Texas Government Code and Texas Government Code Section 2262.154, the Service Provider is hereby advised that the Texas State Auditor's Office (State Auditor) may conduct an audit or investigation of any entity receiving funds from the state directly under a contract or indirectly through a subcontract under that contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. The Service Provider shall ensure that this paragraph, concerning the State

Auditor's authority to audit funds received indirectly by subcontractors through the Service Provider and the requirement to cooperate, is included in any subcontract it awards.

The Service Provider shall maintain and retain supporting fiscal documents adequate to ensure that claims for contract funds are in accordance with TJJD and State of Texas requirements. The Service Provider shall maintain all such documents and other records relating to this contract and the State's property for a period of seven (7) years after the date of submission of the final invoices or until a resolution of all billing questions, whichever is later. The Service Provider shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all information related to the State's property, such as work papers, reports, books, data, files, software, records, and other supporting documents pertaining to this contract, for purposes of inspecting, monitoring, auditing, or evaluating by the TJJD, the State of Texas or their authorized representatives. The Service Provider shall cooperate with auditors and other authorized TJJD and State of Texas representatives and shall provide them with prompt access to all of such State's property as requested by the TJJD or the State of Texas. The Service Provider's failure to comply with this Article shall constitute a material breach of this contract and shall authorize the TJJD to immediately assess the liquidated damages. The TJJD may require, at The Service Provider's sole cost and expense, independent audits by a qualified certified public accounting firm of The Service Provider's books and records or the State's property. The independent auditor shall provide the TJJD with a copy of such audit at the same time it is provided to the Service Provider. The TJJD retains the right to issue a request for proposals for the services of an independent certified public accounting firm under this contract.

The TJJD may unilaterally amend this contract to comply with any rules and procedures of the State Auditor.

Article 19: Default

If the Service Provider defaults on this contract, the TJJD reserves the right to cancel this contract without notice and either resolicit bids or award the contract to the next best responsive and responsible service provider. The defaulting Service Provider will not be considered in the resolicitation and may not be considered in future solicitations for the same type of work, unless the specifications or scope of work are significantly different. The period of suspension will be determined by the agency based on the seriousness of the default.

Article 20: Debt Owed to State of Texas

The Service Provider agrees that any payments due under this contract will be applied towards any debt the Service Provider owes to the state of Texas, including, but not limited, to delinquent taxes and child support that is owed to the State of Texas.

Article 21: Buy Texas

In performing this contract, the Service Provider shall purchase products and materials produced in Texas when they are available at a price and in a period of time comparable to non-Texas products and materials.

Article 22: Specifications

The Service Provider shall provide services in accordance with the specifications contained in this contract. The TJJD will determine the answers to all questions that may arise as to the interpretation

of the specifications and the quality or acceptability of work performed. The TJJJ will decide the rate of progress of the work and the acceptable fulfillment of the services on the part of the Service Provider.

Article 23: Assignment

Without the prior written consent of the TJJJ, the Service Provider may not assign this contract, in whole or in part, or any right or duty required under it.

Article 24: Compliance with Other Laws

In the execution of this contract, the Service Provider shall comply with all applicable federal, state, and local laws, including laws governing labor, equal employment opportunity, safety, and environmental protection. The Service Provider shall make itself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances, and regulations which in any manner affect performance under this contract.

Article 25: Execution Authority

The Service Provider represents and warrants that the individual signing this contract is authorized to sign this document on behalf of Service Provider and to bind Service Provider under this contract.

ARTICLE 26: COMPLIANCE WITH PRISON RAPE ELIMINATION ACT (PREA) AND AUDITING

The Service Provider shall comply with the Final Rule of the Prison Rape Elimination Act (PREA) of June 20, 2012, effective August 20, 2012 (42 U.S.C. 15601 et seq.), and with all applicable PREA standards and TJJJ policies related to PREA to the extent required by law for the type of facility contemplated by this contract. The Service Provider shall make itself familiar with and at all times shall observe and comply with all PREA regulations which in any manner affect performance under this contract. Serviced Provider acknowledges that in addition to "self-monitoring requirement," the TJJJ will conduct announced or unannounced compliance monitoring visits including "on-site" monitoring. The Service Provider will be subject to a Department of Justice (DOJ) PREA Audit every three (3) years beginning August 20, 2013. The Service Provider shall be solely responsible for paying for a PREA Audit as required by its contract with the TJJJ. During the non-audit period, the TJJJ will perform an audit at no cost to the Service Provider to ensure continued compliance with the PREA. Failure to comply with the PREA standards and related TJJJ policies to the extent required by law for the type of facility contemplated by this contract may result in termination of this contract.
