The acceptance of funds by the Contractor or any other entity or person directly under this Agreement or indirectly through a subcontract under this Agreement acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. This Agreement may be amended unilaterally by TJJJ to comply with any rules and procedures of the State Auditor in the implementation and enforcement of Section 2262.003. Under procedures provided by the State Auditor on September 5, 2003, in addition to the above, (1) the Contractor understands that the acceptance of funds under this Agreement acts as acceptance of the authority of the State Auditor to conduct an audit or investigation in connection with those funds; (2) the Contractor further agrees to cooperate fully with the State Auditor in the conduct of the audit or investigation, including providing all records requested; and (3) the Contractor shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contractor and the requirement to cooperate is included in any subcontract it awards.
