

## Texas Juvenile Probation Commission COMETS Strategic Planning Timelines State Fiscal Years 2004-2017

### Important Notes:

1. All proposed revisions to Commission standards must be in the electronic format as specified by the Commission. This format is available on the Commission's website or you may call the Commission for an emailed version.
2. All proposed deletions, additions or modifications must be supported with credible evidence supporting the changes (e.g., national research, state or national best practices, policies, court rulings, expert testimony, professional association guidelines, etc.)
3. All proposed revisions **must be submitted by the June 1, 2006** deadline to be considered in the proposed package of revisions.
4. Prior to initial publication of the proposed revisions, the Commission will accept only one consolidated submission from the President's Council. The President's Council will be solely responsible for the organization, coordination and collaboration of efforts between their respective regions and member representatives in order to facilitate input into and development of one consolidated submission of proposed standards changes from the President's Council.
5. The President's Council is encouraged to solicit input from any appropriate organizations or entities with expertise in this area (e.g., TPA, JJAT, TJDA, TCA, etc).
6. The Commission may solicit input from any appropriate organizations, entities and individuals with expertise in this area. The Commission will be receiving a proposal from our agency Advisory Council.
