C - Commitment Reduction Program**Article III Section A-C**

Effective date 9/1/2010 - 8/31/2011

Latest Revision 01/14/2011

TEXT OF STANDARD**Subchapter:** III. Performance Measures

A. Goal. The goal of the Commitment Reduction Program grant is to reduce delinquency, increase offender accountability and rehabilitate juvenile offenders through a comprehensive, coordinated community-based juvenile probation system.

B. Program Objective. The objective of the Commitment Reduction Program is to increase the availability of community-based programs and services in an effort to divert appropriate juvenile offenders from commitment to TYC while maintaining community safety.

C. Program Performance. Grantee performance under this grant shall be determined using the following measures:

1. Number of juveniles served by the grant funding;
2. Percent of juveniles served completing the program, service or placement;
3. Number of juveniles committed to TYC by the juvenile probation department during the grant period;
4. Number of juveniles certified as adults by the juvenile probation department during the grant period;
5. One, two and three year recidivism rates for all juveniles served in the program, service or placement; and
6. The cost per youth participating in the grant funded program(s), service or placement.

COMMENTARY**Discussion and Interpretation:**

The overall goal of this grant is to reduce delinquency, increase offender accountability and rehabilitate juvenile offenders through a comprehensive, coordinated, community-based juvenile probation system. This goal is the standard goal of all Commission grants and is not monitored independently. The program objective for this grant describes the purposes and main functions of this grant and shall be monitored based upon the individual program performance measures discussed below. Performance measures will not be monitored during on-site monitoring visits. Performance measures on all grants will be calculated by the Commission after the end of each fiscal year in the grant period.

Program Performance

Program performance will be assessed using the performance measures outlined in Article III Section C. The Commission will calculate these measures based on data submitted by the Grantee in the monthly extract data submitted in Caseworker or in the county's data system and from grant information submitted by the Grantee to the Commission in approved Excel spreadsheets.

The performance measures will be calculated as described below:

1. Performance measure one (1) captures the total number of juveniles served by the grant during each year of the grant period. The total number of juveniles will be captured as well as the number of juveniles receiving each distinct type of service (i.e. program, service, placement, supervision).
2. Performance measure two (2) calculates the percentage of youth that complete the grant funded program, placement or service. The percentage is calculated by dividing the number of youth who complete the grant funded program, service or placement by the total number of youth leaving a program, service or placement funded by the grant.

3. Performance measure three (3) captures the total number of juveniles committed to TYC by the Grantee during each year of the grant period. All juveniles committed for determinate and indeterminate sentences will be included.

4. Performance measure four (4) captures the number of juveniles certified as adults by the Grantee's juvenile court during each year of the grant period.

5. Performance measure five (5) calculates the recidivism rate for juveniles entering the grant funded pilot program. The recidivism rate calculates the juvenile's number of subsequent referrals and/or arrests for misdemeanor B and greater offenses one, two and three years from program entry or placement exit. In order to have complete yearly all juveniles entering the program or exiting a placement in prior years will be used for the calculation.

6. Performance measure six (6) calculates the average cost per youth served by a grant funded program, service or placement. To determine the average cost per juvenile served the total number of juveniles served in a grant funded program, service or placement during the fiscal year will be divided by the Grantee's total expenditure of Commitment Reduction Program grant funds. Averages will also be calculated for each distinct type of grant funded service.

Reviewer Guidelines:

To determine Grantee's compliance with this grant provision, the Reviewer will:

1. Review and analyze data submitted by the Grantee in the monthly extract data and grant information submitted to the Commission in Excel format;
2. Calculate the following for each fiscal year of the grant period:
 - a. The number of juveniles served by the grant funding;
 - b. The percent of juveniles completing the grant funded program, service or placement;
 - c. The number of juveniles committed to TYC by the juvenile probation department;
 - d. The number of juveniles certified as adults by the juvenile probation department;
 - e. The one, two and three year recidivism rates for juveniles serviced in a grant funded program, service or placement; and
 - f. The average cost per youth served by the grant.

1. Prior to the monitoring visit, request from the Grantee an expenditure detail report for this grant for the identified fiscal year;
2. On the day of the monitoring visit, select a systematic sample of transactions from the expenditure detail report for review. The Reviewer will request that the Grantee provide payment vouchers with applicable supporting documentation attached for each selected transaction in the sample;
3. Analyze the expenditure documentation for allowability. The Reviewer will verify that each expenditure is in compliance with the requirements in Article VIII Sections A and B of this grant;
4. Analyze the expenditure to assure the payment is a reasonable and necessary expenditure under this grant;
5. Verify whether the payment is correctly coded to the grant being reviewed;
6. Identify whether the date the expenditure occurred or was encumbered is during the identified fiscal year; and
7. Verify that the payment cleared the bank by reviewing substantiating documentation (e.g., cancelled checks, bank statements, etc.) and that the amount matched the approved document total.

The Reviewer may:

1. Interview appropriate personnel regarding the reviewed documentation.

Verification Documents:

1. System generated general ledger (Excel Spreadsheets are not appropriate)
2. Chart of accounts
3. System generated expenditure detail report (Excel Spreadsheets are not appropriate)
4. Payment voucher
5. Supporting documentation:
 - a. Requisition/purchase order;
 - b. Invoice/billing instrument;
 - c. Receipts and/or packing slip;

- d. Mileage log;
 - e. Timesheets and payroll documentation; and
 - f. Other acceptable documentation
6. External documentation:
- a. Bank statements, cancelled checks, EFT transaction; and
 - b. Other acceptable documentation

METHODOLOGY**Compliance Methodology:**

The grants TJPC audits are predetermined. Expenditure Reports for this grant are utilized to determine if expenditures are allowable. The following are the steps for determining the number of records that will be reviewed:

1. The department's juvenile population size determines the total number of transactions reviewed;
2. The number of transactions audited for this grant is determined by this grant's proportionate percentage of the department's total state funding; and
3. A random sampling technique is used to select the transactions that will be reviewed. TJPC uses a randomizer number table to draw a simple random sample by making a complete list of all the transactions, assigning each a number and then electronically drawing a set of random numbers which identifies the nth transaction to be sampled.

The Reviewer may discretionarily select expenditures outside the random sample.

C - Commitment Reduction Program**Article IX Section A**

Effective date 9/1/2010 - 8/31/2011

Latest Revision 01/14/2011

TEXT OF STANDARD**Subchapter:** IX. Financial Reporting

A. Annual Reports.

1. Budget Application. The Grantee shall submit a completed Annual Budget Application concurrent with the submission of the executed State Financial Assistance Contract for the Commission's approval. The Annual Budget Application is found on the Commission's website and shall be submitted electronically as specified by the Commission per fiscal year for the current grant period.

COMMENTARY**Discussion and Interpretation:**

For fiscal year 2010, the Grantee shall enter the Annual Budget Application on the Commitment Reduction Program (Grant C) system, which is the Commission's web-based application. The Grant C web-based application requires a user name and password provided by the Commission's MIS division to gain entry to the application. The Grantee shall enter the program narrative and budget for each program, service, supervision or placement intended under Grant C. Once all program narratives and budgets have been entered into the Grant C web-based application, the Grantee shall finalize the application.

Once the Grant C web-based application has been finalized by the juvenile probation department, the Commission will review and approve the application. If discrepancies are noted, the chief juvenile probation officer is contacted immediately for an explanation and revision.

The executed State Financial Assistance Contract shall be mailed to the Commission and the signature page and juvenile board resolution shall have original signatures. The contract signature page shall include the original signatures of the juvenile board chairperson, chief juvenile probation officer and fiscal officer. The juvenile board resolution shall include the names of all board members in attendance during the juvenile board meeting wherein the contract was approved for execution.

The Grantee's juvenile board shall comply with the Texas Open Meetings Act as codified in Texas Government Code Chapter 551 when approving and executing the State Financial Assistance Contract and all required documents. This Act states that meetings of governmental bodies must be open to the public, except for expressly authorized executive sessions, and that the public must be given notice of the time, place, and subject matter of meetings of governmental bodies. To be legally binding and enforceable, any action of a juvenile board must occur in a posted, open meeting that complies with the requirements of the Open Meetings Act. A quorum of the juvenile board is required to be present before the board may act. Documentation of the action must be reflected in the meeting minutes, formal written resolutions, or other written documentation. The juvenile board may act to authorize the chairperson of the board to take certain actions on behalf of the board as long as the initial action meets the requirements of the Open Meetings Act, is subsequently ratified by the juvenile board and is so documented.

The Grantee shall submit the executed contract and all required documents and files such as the Annual Budget Application before any distributions are made under the State Financial Assistance Contract. Upon approval and execution of the State Financial Assistance Contract by the Commission, a copy will be mailed to the juvenile probation department.

The Annual Budget Application and the Designation of Key Personnel Spreadsheet may be downloaded from the Commission's website at www.tjpc.state.tx.us.

For fiscal year 2011, the Grantee shall enter the Annual Budget Application on the Commitment Reduction Program (Grant C) system, which is the Commission's web-based application. The Grant C web-based application requires a user name and password provided by the Commission's MIS division to gain entry to the application. The Grantee shall enter the program narrative and budget for each program, service, supervision or

placement intended under Grant C. Once all program narratives and plans have been entered into the Grant C web-based application, the Grantee shall finalize the application.

Once the Grant C web-based application has been finalized by the juvenile probation department, the Commission will review and approve the application. If discrepancies are noted, the chief is contacted immediately for an explanation and revision.

Reviewer Guidelines:

To determine Grantee's compliance with this grant provision, the reviewer will:

1. Upon receipt of the State Financial Assistance Contract, verify the presence of the required original signatures on the signature page of the State Financial Assistance Contract and the accompanying juvenile board resolution evidencing authority to contract;
2. Verify all required key personnel have been identified in the Designation of Key Personnel Spreadsheet;
3. Compare and verify grant totals identified in the State Financial Assistance Contract to the budget summary worksheets for consistency;
4. Compare all budget worksheets to verify consistency on intended use of funds;
5. Review all budget worksheets to determine allowable costs, unallowable costs and verify all calculations for accuracy. The reviewer will:
 - a. Examine the supporting documentation under the budget category "Other" within the Non-Residential Services category to verify that there is an adequate description of the program and services to be paid for with grant funds; and
 6. Conduct an analysis of the unexpended funds for this grant for the past two fiscal years to determine whether greater than 10% of the grant funds were unexpended in each of the past two fiscal years. If so, determine whether a funds reduction may apply.

Subchapter: IX. Financial Reporting

B. Quarterly Reports. The Grantee shall report the expenditure of all funds received through this grant on the Quarterly Expenditure Report and the Quarterly ISP and Residential Cost Report [TJPC-FIS-49-04]. Reports shall be received by the Commission no later than January 1, April 1, July 1 and October 1 of the current fiscal year of the biennium, respectively. Funds may be temporarily suspended if a Quarterly Expenditure Report and/or a Quarterly ISP and Residential Cost Report is not received by the due date.

COMMENTARY

Discussion and Interpretation:

This grant provision requires the submission of quarterly reports. Quarterly expenditure reports are generated for this grant by the Commission. These reports are mailed to the designated Fiscal Officer thirty (30) calendar days before the due date. The first quarter (September – November) reports are mailed out December 1st and due January 1st. Second quarter reports (December – February) are mailed out March 1st and due April 1st. Third quarter reports (March – May) are mailed out June 1st and due July 1st. Fourth quarter reports (June – August) are mailed out September 1st and due October 1st.

In addition to documenting expenditures, the review of the quarterly expenditure report determines whether expenditures are allowable or unallowable and ensures timely utilization of funds to prevent excess unexpended funds at the end of the fiscal year. The reports can identify areas of concern during the fiscal year such as unfilled positions and funds not being utilized for juvenile programs and services.

Report Data

The Commission will pre-print the following data on each report. The due date is printed in the upper right hand corner of the report in the MM/DD/YYYY format. The numbered data elements on the report are discussed below:

1. Jurisdiction. The county name or lead county for a judicial district or multi-county jurisdiction;
2. Agreement #. The name of the grant, the grant identification letter and the county number;
3. Contract Period. The State Financial Assistance Contract period (includes a begin and end date in the MM/DD/YYYY format);
4. Reporting Period. The quarter that is currently being reported (includes a begin and end date in the MM/DD/YYYY format);
5. Report Type. The Grantee shall indicate if the report is a "regular-quarterly" or "final" (Grantee will circle one on the expenditure report). If the balance of the report is zero, circle "final";
- 6-10. The Service Categories which are the same as budget categories as identified in the annual budget application worksheets and include Salaries & Fringe Benefits, Travel, Operating Expenses, Non-Residential Services and Residential Services;

Column A/Budget. The approved allocation of funding for this specific grant by budget categories; and

Column B/Previous Expenditures. These items represent a cumulative total of expenditures reported previously. If an error has been made or the amount is not accurate, then any correction should be made in the appropriate service category. (Items #6 – 10).

Information To Be Completed By Fiscal Officer or Authorized Designee.

Column C. These items represent expenditures during the quarter that is currently being reported. To correct any errors, use brackets to report negative amounts (i.e., < >).

Column D. These items represent the budgeted amounts minus previous expenditures minus current expenditures that are being reported for each service category. Do not show a negative amount in the total balance. If the balance is zero and the expenditure report is not reporting 4th quarter expenditures, the Commission's financial system will not generate additional reports for the next quarter.

11. Total of each column.

12. Signature. The report shall be signed by the Fiscal Officer and Chief Juvenile Probation Officer/Project Director.

Fourth Quarter Expenditure Reports

Fourth quarter expenditure reports shall be prepared on the modified accrual basis of accounting. All obligations incurred, but not paid as of August 31st of each fiscal year of the grant period, shall be accrued and reported on the fourth quarter expenditure report. If there is a remaining balance identified on the 4th quarter expenditure report, a refund check is due from the Grantee to the Commission no later than November 1st of the next fiscal year. Expenditures identified on the first, second and third quarterly expenditure report shall be on a cash basis.

This grant provision is not monitored during an on-site monitoring visit but is monitored throughout the term of the grant. If the Grantee fails to comply with the grant provision, the Commission may issue a Non-Compliance Citation Report (NCCR).

The Quarterly ISP and Residential Cost Report

The Quarterly ISP and Residential Cost Report is designed to gather state and local expenditures for Intensive Supervision Probation (ISP) and all Residential Placements. The Quarterly ISP and Residential Cost Report may be found on the Commissions website at www.tjpc.state.tx.us.

Expenditures for ISP include all expenditures made during the quarter for the provision of ISP services regardless of the funding source. Residential placements include secure post adjudication correctional facilities and non-secure residential placement facilities. Expenditures for pre-adjudication detention facility or short-term detention facility (i.e.,

C - Commitment Reduction Program**Article IX Section B**

holdover) placements should not be included. Placements made in a facility operated by the county or on behalf of the county through a contract with a private vendor shall be considered County Operated Placements. Costs to operate the facility shall be included. Placements contracted by the Grantee shall be considered Purchased Placements.

Expenditures shall be categorized TJPC expenditures and Non-TJPC expenditures. TJPC expenditures include all funds received through the Commission including IV-E funds. Non-TJPC expenditures include all local, other federal or other funds expended by the Grantee for ISP and residential placements.

The report shall be signed by the person completing the report and by the Chief Juvenile Probation Officer.

Fourth Quarter ISP and Residential Cost Reports

Expenditures identified on the first, second and third quarterly expenditure report shall be on a cash basis. The report due for the fourth quarter shall include all obligations incurred, but not paid as of August 31st of each fiscal year of the grant period.

This grant provision is not monitored during an on-site monitoring visit but is monitored throughout the term of the grant. If the Grantee fails to comply with the grant provision, the Commission shall issue a Non-Compliance Citation Report (NCCR).

Reviewer Guidelines:

To determine Grantee's compliance with this grant provision, the Reviewer shall:

For the Quarterly Expenditure Report:

1. Verify the quarterly expenditure report was submitted by the Grantee, on or before the due date;
2. Verify the report has the required signatures;
3. Verify the report is for the correct time period;

2. Verify the report has the required signatures;
3. Verify the report is for the correct time period;

TEXT OF STANDARD

Subchapter: IX. Financial Reporting

D. Other Periodic Reports.

1. Budget Adjustments. The Grantee shall submit the Budget Adjustment Request [TJPC-FIS-03-04] to the Commission for any adjustment to the original budget. The Grantee shall receive written approval from the Commission prior to expending the funds.

COMMENTARY

Discussion and Interpretation:

This grant provision requires a budget adjustment for any adjustment to the original budget. The Budget Adjustment Request form is utilized as a mechanism to transfer funds from one budget category to another budget category within a specific grant. A budget adjustment request per each fiscal year of the designated grant period can be submitted through October 1st of the next fiscal year. All budget adjustments shall be pre-approved by the Commission. This form can be found on the Commission website at www.tjpc.state.tx.us.

The Budget Adjustment Request form shall be completed and mailed to Judy Ybarbo, Contract Administrator, with original signatures from the chief juvenile probation officer, fiscal officer or authorized designee. The following information shall be completed by the chief juvenile probation officer, fiscal officer or authorized designee:

1. Jurisdiction. The county name or lead county for a judicial district or multi-county jurisdiction;

2. Agreement/Contract #. This field requires the name of the grant, the grant identification letter, fiscal year and county number;

3. Date: This field requires the date of the completion of the Budget Adjustment Request;

4-9. Service Categories. Service Categories are the same as budget categories as identified in the annual budget application worksheets. The following columns are applicable:

- Column A - the approved allocation of funding for this specific grant by budget categories (include amended budget from previous budget adjustment requests);

- Column B – the adjusted amounts should be identified as a decrease in brackets < > and an increase with the plus sign + in front of the adjusted amount;

- Column C – the original budget amount minus <> or plus + the adjustment amount to equal the amended amount.

10. Detailed Explanation. In the detailed explanation field, address the basis for the request and refer to each specific service categories amount that will be amended. This is a generic form and not all expenditures are authorized under this grant. Review service categories definitions identified below:

- Salaries and fringe benefits - staff employed by the department under the direction of the Grantee;

- Travel for official business of authorized staff at the county rate or if in a multi-county jurisdiction, at the rate of the lead county. If the county has no established rate, then the county shall use the established State of Texas rate:

1. In no event can reimbursement rates exceed the established travel rates for the state of Texas;

- Operating expenses for the juvenile probation department (e.g., postage, telephone, office supplies, printing and other costs, etc.) directly related to juvenile probation programs, services or administration.;

- Non-Residential Services. A service or program provided to a juvenile who has not been placed in a residential facility or a service or program provided to a juvenile who has been placed in a residential setting, but the service or program is not included in the cost per day for the juvenile's placement. The following services/programs are considered non-residential including:

a. Psychological, psychiatric and other professional diagnostic, evaluation and therapeutic treatment services;

b. Medical and dental diagnosis, evaluation, treatment and supplies;

c. Vocational and educational fees and supplies;

d. Related programs, services, supplies and tutoring not provided by public schools;

e. Transportation and meals;

f. Clothing and personal hygiene supplies; and

g. Programs and services approved in writing in advance by the Commission including professional and contractual services.

- Residential services means the provision of services to a juvenile that has been placed in a secure pre-adjudication detention facility, a short-term detention facility (i.e., holdover), a post-adjudication correctional facility, or a non-secure residential placement facility operated by or under the authority of the Grantee. This category also includes services contracted to a third-party service provider in any non-secure placement facility licensed and/or operated by or under the authority of another governmental entity under the laws of this state or another state.

11. Authorized Signature – The budget adjustment request form should be signed by the chief juvenile probation officer/project director, the fiscal officer or authorized designee.

This grant provision is not monitored during an on-site monitoring visit but is monitored throughout the term of the grant. If the Grantee fails to comply with the grant provision, the Commission may issue a Non-Compliance Citation Report (NCCR).
