VIII. **FINANCIAL COMPONENTS.**

A. **Allowable Expenditure of Funds.**

1. Unless otherwise indicated in the individual grant requirements, grant funds shall be expended for juvenile justice programs and juvenile probation services within the three budget categories of staff services, non-residential services and residential services as allowed in the *Expenditure Guidelines* contained in Appendix I of this document.
2. Grant funds may be expended to provide programs and services for juveniles and/or family members of juveniles under the jurisdiction of the Grantee's juvenile probation department.
3. Expenditures that benefit both adult and juvenile probation departments shall be pro-rated on an equitable basis. The determination of the method of pro-rating such expenditures shall be supported by documentation.
4. Grant funds used to reimburse a county that provides fiscal services to another county or multiple counties shall be reasonable compensation for services actually provided. Payment shall not exceed five percent (5%) of the funding allocation and shall be made to the county providing fiscal services rather than to an individual.
5. The maximum allowable rates for each of the levels of care and the description of each level is posted in the *Tier Level of Care Rate for Registered Facilities* [TJPC-FIS-01-10] on the Commission's website. Expenditures for residential services in a Pre-Adjudication Secure Detention Facility, a Short-Term Secure Detention Facility, a Post-Adjudication Secure Correctional Facility or a Non-Secure Correctional Facility shall not exceed the Basic Level of Care Rate. Grant funds may be expended at a higher level of care rate if the juvenile is placed in a Post-Adjudication Secure Correctional facility or a Non-Secure Correctional Facility registered and approved by the Commission for a specialized or intensive level of service rate.

B. **Unallowable Expenditure of Funds.**

1. Grant funds shall not be expended for unallowable items as detailed in the *Expenditure Guidelines* incorporated in Appendix I of this document.
2. Grant funds shall not be expended for residential services in excess of the maximum allowable rates as defined in *Tier Level of Care Rates for Registered Facilities* [TJPC-FIS-01-10].
3. Grant funds shall not be expended for salaries or expenses of juvenile board members.
4. Grant funds shall not be expended for salary increases of existing personnel that exceed 5% of the previous year unless approved by the Commission. This requirement does not restrict the salary amount of new staff or promotions in juvenile probation departments.

C. **Financial Match Requirements.** See Also Individual Grant Requirements.

1. **Certification of Local Expenditures.** Pursuant to the requirements of the Texas Human Resources Code Section 223.002, to be eligible to receive funding under the *State Financial Assistance Contract*, the fiscal officer duly appointed by the Grantee shall submit the *Certification of Local Expenditures Report* that certifies local juvenile justice expenditures (i.e., juvenile probation services and juvenile justice programs) made by the Grantee during the previous fiscal year that is equal to or greater than those made in fiscal year 1994.
 - a. **Maintenance of Local Financial Support.** The maintenance of local financial support requires juvenile probation departments to maintain the amount of salary expenditures as in previous years to be eligible to continue to receive state funds. This requirement validates that the level of expenditures for the juvenile probation department remain relatively constant from year to year. Waivers may be granted as described in the Texas Human Resources Code Section 223.002.
2. **Financial Match Requirements.** The Grantee shall ensure that county funding for juvenile services (i.e., juvenile probation services and juvenile justice programs) shall not be decreased or be supplanted by funding received under this grant. The Grantee shall certify that the amount of local or county funds expended for juvenile services is at least equal to or greater than the amount spent in the 2006 county fiscal year excluding construction and capital outlay expenses.

D. Funding Adjustments.

1. **Reduction of Grant Payments.** The Commission shall review the Grantee's unexpended grant balances for the State Financial Assistance Fund and individual grants in the last three fiscal years. If the Commission determines that more than 10 percent of the amount awarded remained unspent or unencumbered at the end of each of the three fiscal years reviewed, the Commission may reduce the current fiscal year's grant amount by the unspent balance of the previous fiscal year's grant. The Commission may conduct an analysis and/or audit of the Grantee's level of referral activity, juvenile probation supervision activity and juvenile probation caseloads to determine the reasonableness of the amount of grant funds received by the Grantee in relation to these workload variables. As a result of this analysis, the Commission may reduce the amount of any grant awarded to the Grantee in this grant period or in any subsequent grant periods by an amount determined reasonable by the Commission.
 - a. Unexpended or unencumbered grant funds allocated to the Grantee shall be subject to a funding adjustment as set forth in Section VIII (D)(1). The Commission may reduce funding from any grant awarded under this Contract.
2. **Unexpended Balances.** With the exception of funding received under Grants E and P, the Grantee shall refund to the Commission no later than November 1 in the next fiscal year, any unexpended funds from any grant that is allocated under the *State Financial Assistance Contract* which are unencumbered by August 31 and unexpended by November 1 in the next fiscal year.
3. **Overpayments.** Any overpayments made by the Commission in regard to any grant discovered by the Grantee, its agent, the Commission or its authorized designee in any fiscal year shall be refunded to the Commission within 30 calendar days after discovery or after receipt of a written notice from the Commission.
4. **Refunds Due.** All refunds due to the Commission under any grant for unallowable expenditures discovered shall be returned to the Commission within 30 calendar days of confirmation.

- E. **Timely Expenditure of Grant Funds.** The Grantee shall expend funds in a timely manner. The Commission shall determine if an acceptable percentage of disbursed funds are expended during the designated reporting period in order for the Grantee to expend the full amount of the grant by the end of the contract period. If the Grantee fails to expend the grant funds in a timely manner, the Commission may issue a Non-Compliance Citation Report (NCCR) and may reduce or suspend funds.

F. Audits.

1. **Auditing Requirements.** The Grantee shall provide an independent financial compliance audit of funds received from the Commission under the *State Financial Assistance Contract*, specifically for the following grants: Fiscal Year 2011 to

include grants A, B, C, D, E, F, H, M, O, P, U, V, W, X, Y and Z and the 2012-2013 biennium to include the State Financial Assistance Fund (A) and individual grants B, C, D, E, M, P and W. The audit shall be prepared in accordance with Generally Accepted Auditing Standards, Governmental Auditing Standards and the Commission's audit requirements that will be sent under separate cover by September 30 for each year of the biennium. The Grantee shall submit two (2) copies of the current fiscal year audit to the Commission no later than March 1 of the subsequent year. The audit shall include as part of the Report on Compliance and Internal Control, the specific financial assurances contained in Section VIII (G), of the General Grant Requirements and any individual grant as included in the *State Financial Assistance Contract*. The audit shall include an opinion on whether or not the Grantee complied with the applicable assurances. A summary of all material instances of non-compliance and an identification of the total amount of funds in question for each assurance shall be included in the audit. Audits received after March 1 of the subsequent year are considered delinquent. Grantees with delinquent audits are subject to a Non-Compliance Citation Report (NCCR) and funds may be suspended by the Commission.

- G. **Financial Assurances.** The following financial assurances are applicable to all grant funds unless the individual grant requirements specifically state the contrary.
1. Separate accountability for the receipt and expenditure of all grant funds under the *State Financial Assistance Contract* is maintained for each grant from which the Grantee receives funds;
 2. Expenditures reported to the Commission are in agreement with the Grantee's accounting records and audited expenditures in each budget category;
 3. Expenditures are made in accordance with the *Expenditure Guidelines* contained in *Appendix I* of this document and are supported by written documentation;
 4. Salary expenditures under each grant are verified and supported by appropriate documentation or hours worked, activities performed and leave taken. Employees whose salaries are funded 100% out of state funds, shall be dedicated to juvenile justice programs and services only;

 8. The grant funds used for residential child-care facilities and out-of-state residential placement facilities do not exceed the Health and Human Services Commission's *Levels of Care Rates* [TJPC-FED-27-04]. This financial assurance does not apply to facilities that are registered with the Commission;

9. The grant funds used for TJPC registered facilities shall not exceed the *TJPC Tier Level of Care Rates for Registered Facilities* [TJPC-FIS-01-10];
 10. The grant funds are not expended for the purchase of equipment, renovation or construction unless explicitly authorized by the Commission within the individual grant requirements.  11. Authorized capital purchases are capitalized and depreciated within the county accounting system;
 12. Proper cut-off procedures are observed at the end of each fiscal period. Obligations of the fiscal period under review are not paid from funds of a subsequent fiscal period. - H. **Service Providers.** Contracts with private service providers that are funded in whole or in part with grant funds shall adhere to the requirements set forth in the *Private Service Provider Contract Requirements Summary* [TJPC-FIS-32-04].
1. **Selection of Providers.** Selection of service provider contractors shall be fairly and objectively based upon county procurement procedures and guidelines and any applicable state or federal laws or regulations related to service procurement. As an integral part of the service provider selection process, the Grantees shall utilize procedures to assess prospective contractors' strengths, weaknesses and past performance. The Grantee shall use data relating to the performance of private service providers in prior contracts as a factor in selecting providers to receive contracts.
 2. **Required Contract Provisions.** Private service provider contracts paid in whole or part with grant funds shall include the following provisions in the contract between the Grantee and the service provider:

APPENDIX I EXPENDITURE GUIDELINES

- I. **Allowable and Unallowable Expenditure Guidelines.** The following information contains general principles for determining allowable costs under all Commission grants unless the individual grant requirements specifically state otherwise:
 - A. **Purpose and Scope.**
 1. **Objectives.** These guidelines establish principles for determining the allowable costs incurred by the Grantee under grants, contracts and other agreements with the Commission utilizing state funding. The principles are for the purpose of cost determination and are not intended to identify the circumstances or dictate the extent of the Commission's participation in the financing of a particular program or project.
 2. **Policy Guides.** The application of these principles is based on the fundamental premises that:
 - a. The Grantee shall be responsible for the efficient and effective administration of the Commission's *State Financial Assistance Contract* through the application of sound management practices;
 - b. The Grantee shall assume responsibility for administering the grant funds in a manner consistent with underlying agreements, program objectives and the terms and conditions of the *State Financial Assistance Contract*; and
 - c. Each Grantee, in recognition of its unique combination of staff, facilities and experience, will have the primary responsibility for employing whatever form of organization and management techniques that may be necessary to assure proper and efficient administration of the Commission's grants.
 - B. **Basic Guidelines.**
 1. **Factors Affecting Allowable Costs.** To be allowable under a Commission grant, costs shall:
 - a. Be necessary and reasonable for proper and efficient performance and administration;
 - b. Be authorized and not prohibited under state or local laws or regulations;
 - c. Be accorded consistent treatment. A cost may not be assigned to a Commission grant as a direct cost if any other cost incurred for the same purpose in like circumstances has been allocated to other awards as an indirect cost;
 - d. Except as otherwise provided for in this guideline, be determined in accordance with Generally Accepted Accounting Principles (GAAP);
 - e. Be the net of all applicable credits; and
 - f. Be adequately documented.
 2. **Reasonable Costs.** A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. The question of reasonableness is particularly important when local juvenile probation departments or components are funded by the Commission. In determining reasonableness of a given cost, consideration shall be given to:
 - a. Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the performance of the grant;
 - b. The restraints or requirements imposed by such factors as: sound business practices; arm's length bargaining; federal, state, Indian Tribal and other laws and regulations; and terms and conditions of the grant award;

- c. Market prices for comparable goods or services; and
- d. Whether the Grantee acted with prudence in the circumstances considering their responsibilities to the Grantee and the public at large.

3. **Applicable Credits.** Applicable credits refer to those receipts or reduction of expenditure type transactions that offset or reduce expense items allocable to the Commission's grants as direct or indirect costs. Examples of such transactions include: purchase discounts, rebates or allowances, recoveries or indemnities on losses, insurance refunds or rebates and adjustments of overpayments or erroneous charges. To the extent that such credits accruing to or received by the Grantee relate to allowable costs, they shall be credited to the grant either as a cost reduction or cash refund, as appropriate.
4. **Expenditure Categories.** Unless restricted to certain allowable expenditures by the particular grant program from which funds were received under a grant, any funds received pursuant to a grant must be spent in the following categories, as defined in the grant: juvenile probation services, staff services, non-residential services and residential services.
5. **Accrued Interest.** Idle funds are invested in an account that provides a reasonable interest rate and provides necessary protection of principal. Interest generated as a result of grant funds deposited is credited to the account of the juvenile probation department for the provision of juvenile probation services and juvenile justice programs.

C. **Direct Costs.**

1. **General.** Direct costs are those that can be identified specifically with a particular final cost objective.
2. **Application.** Typical direct costs chargeable to the Commission's grants are:
 - a. Compensation of employees for the time devoted and identified specifically to the performance of those grants;
 - b. Cost of materials acquired or consumed specifically for the purpose of those grants;
 - c. Equipment and other pre-approved capital expenditures;
 - d. Travel expenses incurred specifically to carry out the grant;
 - e. Non-residential services as defined under Article II Section (F) of the General Grant Requirements; and
 - f. Residential services as defined under Article II Section (I) of the General Grant Requirements.

D. **Reimbursement of Unallowable Expenditures.** All refunds due to the Commission under any grant for unqualified expenditures, discovered by the Grantee, its agent or its authorized designee shall be returned to the Commission within 30 calendar days of confirmation.

E. **Guiding Principles for Determining Allowable or Unallowable Costs.** The following sections provide principles to be applied in establishing the allowable or unallowable costs. Failure to mention a particular item of cost in these sections is not intended to imply that it is either allowable or unallowable. The allowability in each case should be based on the treatment or standards provided for similar or related items of cost.

1. **Accounting.** The cost of establishing and maintaining accounting and/or other information systems is allowable.
2. **Advertising and Public Relations Costs.**
 - a. The term "advertising costs" means the costs of advertising media and corollary administrative costs. Advertising media include magazines, newspapers, radio and television programs, direct mail, exhibits, etc.

- b. The term "public relations" includes community relations and means those activities dedicated to maintaining the image of, or maintaining or promoting understanding and favorable relations with the community, or any segment of the public.
 - c. Advertising costs are allowable only when incurred for the recruitment of personnel, the procurement of goods and services, the disposal of surplus materials and any other specific purposes necessary to meet the requirements of the contract. Public relations costs are allowable when:
 - i. Incurred to communicate with the public and press pertaining to specific activities or accomplishments that result from performance of the Commission grant; or
 - ii. Necessary to conduct general liaison with news media and government public relations officers, to the extent that such activities are limited to communication and liaison necessary to keep the public informed on matters of public concern, such as notices of state contract or grant awards, financial matters, etc.
 - d. Unallowable advertising and public relations costs include the following:
 - i. All advertising and public relations costs other than as specified;
 - ii. Except as otherwise permitted by these cost principles, costs of conventions, meetings or other events related to other activities of the Grantee including:
 - (a) Costs of displays, demonstrations and exhibits;
 - (b) Costs of meeting rooms, hospitality suites and other special facilities used in conjunction with shows and other special events;
 - (c) Salaries and wages of employees engaged in setting up and displaying exhibits, making demonstrations and providing briefings;
 - (d) Costs of promotional items and memorabilia, including models, gifts and souvenirs; and
 - (e) Costs of advertising and public relations designed solely to promote the local departments.
3. **Advisory Councils.** Costs incurred by advisory councils or committees are unallowable including:
- a. Meal expenses for juvenile board meetings.
 - b. Expenditures of other local departments such as police, sheriff, prosecuting attorneys, in-kind services or payments to or expenses of juvenile board members.
4. **Alcoholic Beverages.** Costs of alcoholic beverages are unallowable.
5. **Audit Services.** The costs of audits of grants are allowable provided that the audits were performed in accordance with Generally Accepted Auditing Standards, Governmental Auditing Standards and the Commission's current audit requirements.
6. **Automatic Electronic Data Processing.** The cost of data processing services is allowable.
7. **Bad Debts.** Any losses arising from uncollectible accounts and other claims and related costs are unallowable.
8. **Bonding Costs.** Costs of bonding employees and officials are allowable to the extent that such bonding is in accordance with sound business practice.
9. **Budgeting.** Costs incurred for the development, preparation, presentation and execution of budgets are allowable.

10. **Communications.** Costs of telephone, mail, messenger and similar communication services are allowable.
11. **Community-Based Programs.** Community-based program refers to an array of rehabilitation services for juvenile offenders and their families provided in local communities, including, but not limited to, non-residential and residential services, transition programs and services, and aftercare programs.
12. **Compensation for Personnel Services.**
 - a. **General.** Compensation for personnel services includes all remuneration, paid currently or accrued, for services rendered during the period of performance under the grant, including but not necessarily limited to wages, salaries and fringe benefits. The costs of such compensation are allowable to the extent that the total compensation for individual employees:
 - i. Is reasonable for the services rendered and conforms to the established policy of the Grantee consistently applied to both the Commission and non-Commission activities;
 - ii. Follows an appointment made in accordance with local government laws and rules and meets merit system or other requirements required by law, where applicable; and
 - iii. The grant funds are not paid as wages or salaries to children receiving services from the Grantee.
 - b. **Reasonableness.** Compensation for employees engaged in work on the grant will be considered reasonable to the extent that it is consistent with that paid for similar work in other activities of the Grantee. In cases where the kinds of employees required for the grant are not found in the other activities of the Grantee, compensation will be considered reasonable to the extent that it is comparable to that paid for similar work in the labor market in which the employing government competes for the kinds of employees involved.
 - c. **Unallowable Costs.** Costs which are unallowable under other sections of these principles shall not be allowable under this section solely on the basis that they constitute personnel compensation.
 - d. **Fringe Benefits.**
 - i. Fringe benefits are allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages. Fringe benefits include, but are not limited to, the costs of leave, employee insurance, pensions and unemployment benefit plans. Except as provided elsewhere in these principles, the costs of fringe benefits are allowable to the extent that the benefits are reasonable and are required by law, the Grantee's employee agreement or an established policy of the Grantee.
 - ii. The cost of fringe benefits in the form of employer contributions or expenses for social security, employee life, health, unemployment, longevity and worker's compensation insurance pension plan costs and other similar benefits are allowable, provided such benefits are granted under established written policies. Such benefits shall be allocated to the grant and all other activities in a manner consistent with the pattern of benefits attributable to the individuals or group(s) of employees whose salaries and wages are chargeable to the grant and other activities.
 - e. **Weapons and Firearms.** The purchase of weapons or other firearms proficiency training is allowable only for the benefit of eligible juvenile probation officers who have met the requirements established under the Commission's administrative rules and other applicable law. The purchase of a weapon, firearm, ammunition or related supplies is unallowable.
 - f. **Pension Plan Costs.** Pension plan costs may be computed using a pay-as-you-go method or an acceptable actuarial cost method in accordance with established written policies of the Grantee.

- g. **Post-Retirement Health Benefits.** Post-retirement health benefits (PRHB) refers to costs of health insurance or health services not included in a pension plan for retirees and their spouses, dependents and survivors. PRHB costs may be computed using a pay-as-you-go method or an acceptable actuarial cost method in accordance with established written policies of the Grantee.
 - h. **Severance Pay.** Severance pay is unallowable using state funds.
 - i. **Support of Salaries and Wages.** These standards regarding time distribution are in addition to the standards for payroll documentation.
 - i. Charges to a grant for salaries and wages will be based on payrolls documented in accordance with generally accepted practice of the Grantee and approved by a responsible official(s) of the Grantee.
 - ii. No further documentation is required for the salaries and wages of employees who work in a single indirect cost activity.
 - iii. Where employees work on multiple activities or cost objectives, a distribution of their salaries or wages will be supported by personnel activity reports or equivalent documentation.
 - iv. Salaries and wages of employees used in meeting cost sharing or matching requirements of the grant must be supported in the same manner as those claimed as allowable costs under the grant.
 - j. **Donated Services.**
 - i. Donated or volunteer services may be furnished to the Grantee by professional and technical personnel, consultants and other skilled and unskilled labor. The value of these services is not reimbursable either as a direct or indirect cost. However, the value of donated services may be used to meet cost sharing or matching requirements.
 - ii. To the extent feasible, donated services will be supported by the same methods used by the Grantee to support the allocation of regular personnel services.
13. **Contingencies.** Contributions to a contingency reserve or any similar provision made for events the occurrence of which cannot be foretold with certainty as to time, or intensity or with an assurance of their happening, are unallowable.
 14. **Contributions and Donations.** Contributions and donations including cash, property and services by the Grantee to others are unallowable.

 18. **Employee Morale, Health and Welfare Costs.** The costs of health or first-aid clinics and/or infirmaries, recreational facilities, employee counseling services, employee information publications and any related expenses incurred in accordance with the Grantee's policy are allowable. Income generated from any of these activities shall offset against expenses.
