

Ad-Hoc Reports

Print Field Selection

It is crucial that you include a Print Field that will be unique for each of your expected results. In the three Ad-Hoc Report results below, the scan criteria was not modified. All three scans were setup with the criteria of Referral Disposition Date and Juvenile PID. However, this report returns different results depending on the Print Field options.

Report: Referrals Disposed in January 2013

[Run](#) | [CSV](#) | [Copy](#) | [Delete](#)
