**Determinate Sentence Probation with Placement (116)** This is a disposition set forth in Texas Family Code Section 54.04(q) in which a child may be ordered to determinate sentence probation by a court or jury for a period of up to ten (10) years for specific violent or habitual conduct. The juvenile is placed on determinate sentence probation and ordered to placement in a special facility. The juvenile may be required to participate in a variety of appropriate programmatic services (e.g., counseling, treatments, programs, etc.), and may also be subject to other reasonable court-ordered restrictions or conditions.

# 135-SPU Commitment Sentence to TJJD

This disposition code is used to account for juveniles that have received a subsequent disposition to TJJD for an offense that occurred in a TJJD facility. These commitments would be processed through TJJD's Special Prosecution Unit (SPU). This disposition should only be used by probation departments where the offense occurred and was disposed (i.e. in a county where a TJJD facility is located). The Special Prosecution Unit (SPU) Juvenile Division was established in Senate Bill 103 to assist District and County Attorney offices in the prosecution of criminal investigations conducted by the Office of Inspector General (OIG) involving Texas Juvenile Justice Department (TJJD) interests.
