Update on COVID-19 at TJJD Facilities

January 19, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 5 staff members and 1 Youth Development Coach at the Evins Regional Juvenile Center, in Edinburg, have tested positive for COVID-19. The first case was confirmed on Sunday, and the remaining cases were confirmed yesterday.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJJ website](#).

For additional information, contact Brian Sweany at brian.sweany@tjjd.texas.gov or 512-490-7028.
