Update on COVID-19 at TJJD Facilities

July 9, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 staff member at the Evins Regional Juvenile Center, in Edinburg, tested positive for COVID-19 yesterday. That employee was last on campus on June 27.
- At this time, there are two active staff cases of COVID-19 across the agency's facilities. No youth cases have been reported since June 2.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
