Update on COVID-19 at TJJD Facilities

July 21, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 member of the Office of the Inspector General’s staff at the Giddings State School tested positive for COVID-19 this morning.
- 1 Youth Development Coach at the Giddings State School tested positive for COVID-19 this afternoon. That employee was last on campus on July 9.
- At this time, TJJD has 3 active cases of COVID-19 across its facilities. All of the cases involve staff members.

For more information about the agency’s response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
