Update on COVID-19 at TJJD Facilities

August 4, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 youth at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, tested positive for COVID-19 last night. The youth is a recent admission and had been previously vaccinated.
- 1 teacher at the Evins Regional Juvenile Center, in Edinburg, tested positive for COVID-19 this morning.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).

For additional information, contact Brian Sweany at brian.sweany@tjjd.texas.gov or 512-490-7028.
