---

---

### Project Overview

**Assist local probation departments and community based juvenile facilities (secure and non-secure) to fully understand and implement all responsibilities and requirements related to education of youth in our facilities and reintegration of youth back into community education settings**

---

---

---

---

---

---

---

---

### Training Objectives

Participants will be able to describe:

- The legislative intent for providing this series of webinars
- Resources to support students with special education needs
- Trauma Informed Care definition, connections to Education and Juvenile Justice
- Resources for more training/exposure to trauma informed care practices

---

---

---

---

---

---

---

### Agency Mandate: TX Human Resources Code, Title 12, provides:

Section 221.005. TRAINING AND ASSISTANCE TO LOCAL AUTHORITIES.

(a) The department shall provide educational training and technical assistance to counties, juvenile boards, and probation offices to:

- (1) promote compliance with the standards required under this chapter and
- (2) assist the local authorities in improving the operation of probation, parole, and detention services.

---

---

---

---

---

---

---

### Agency Mandate: (Continued)

(b) The Department **shall** encourage compliance with educational service standards and rights prescribed by state or federal law by:

- (1) facilitating interagency coordination and collaboration among juvenile probation departments, school districts, and the Texas Education Agency, and
- (2) developing and supporting a plan to ensure continuity of educational services to juvenile offenders, including special educational services for juveniles with disabilities.

Focuses on fostering students'  
strength to overcome trauma and  
violence.

Instead of saying "what is wrong  
with you?" educators can learn  
to ask **"what has  
happened to you?"**
