Update on COVID-19 at TJJD Facilities

January 15, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 youth at the Giddings State School tested positive for COVID-19 last night.
- 1 staff member at the Gainesville State School tested positive for COVID-19 last night.
- NOTE: 3 cases that were reported from the Giddings State School on January 13 & 14 were marked as “indeterminate positives” by the medical team. Results from retests last night and this morning determined that the employees are in fact negative and have been cleared to return to work.

For more information about the agency’s response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
