Update on COVID-19 at TJJD Facilities

September 21, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One Youth Development Coach and one member of the medical staff at the Giddings State School tested positive for COVID-19 this morning.
- TJJD currently has 21 active cases across its facilities (19 staff and 2 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).

For additional information, contact Brian Sweany at brian.sweany@tjjd.texas.gov.
