Update on COVID-19 at TJJD Facilities

October 1, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- Two employees at the Gainesville State School tested positive for COVID-19 this afternoon. One case involves a Youth Development Coach, and the other case involves a staff member.
- TJJD currently has 12 active cases across its facilities (9 staff and 3 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
