Update on COVID-19 at TJJD Facilities

November 29, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One staff member at the Giddings State School tested positive for COVID-19 last night. This is the first staff case since November 19.
- TJJD currently has 2 active cases across its facilities. Both cases involve staff members.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).

For additional information, contact Brian Sweany at brian.sweany@tjjd.texas.gov.
