Update on COVID-19 at TJJD Facilities

February 8, 2022

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- Two youth at the Evins Regional Juvenile Center, in Edinburg, tested positive for COVID-19 last night.
- At this time, TJJD has 15 active cases across its facilities (7 staff and 8 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
