## Update on COVID-19 at TJJD Facilities

March 1, 2022

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- Two staff members at the Evins Regional Juvenile Center, in Edinburg, tested positive for COVID-19 this morning.
- At this time, TJJD has 4 active cases across its facilities. All of the cases involve staff.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
