Update on COVID-19 at TJJD Facilities

January 26, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 Youth Development Coach at the Gainesville State School tested positive for COVID-19 yesterday.
- The Gainesville State School has begun administering the first doses of the Moderna vaccine to employees who qualify for Phases 1A and 1B. That process is scheduled to be completed by Friday.
- The TJJD Governing Board will meet virtually on Friday, January 29, at 9 o'clock. The public link is available [here](#).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).

For additional information, contact Brian Sweany at brian.sweany@tjjd.texas.gov or 512-490-7028.
