## Update on COVID-19 at TJJD Facilities

February 11, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 staff member at the Evins Regional Juvenile Center, in Edinburg, tested positive for COVID-19 this morning.
- 1 staff member at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, tested positive for COVID-19 this afternoon.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
