Update on COVID-19 at TJJD Facilities

July 6, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 Youth Development Coach at a TJJD halfway house tested positive for COVID-19 yesterday.
- At this time, that is the only active case of COVID-19 across the agency's facilities.

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
