Update on COVID-19 at TJJD Facilities

August 27, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 2 Youth Development Coaches at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, have tested positive for COVID-19. The first case was confirmed last night, and the second case was confirmed this afternoon.
- TJJD currently has 15 active cases across its facilities (14 staff and 1 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
