Update on COVID-19 at TJJD Facilities

September 9, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- 1 youth at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, tested positive for COVID-19 last night.
- 1 staff member at Ron Jackson tested positive for COVID-19 last night.
- Campus-wide testing at Ron Jackson began today. Results will be released as they become available.
- TJJD currently has 22 active cases across its facilities (18 staff and 4 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
