Update on COVID-19 at TJJD Facilities

September 22, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One staff member at the Giddings State School tested positive for COVID-19 this morning.
- One teacher at the Ron Jackson State Juvenile Correctional Complex, in Brownwood, tested positive for COVID-19 this afternoon.
- TJJD currently has 22 active cases across its facilities (19 staff and 3 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
