Update on COVID-19 at TJJD Facilities

October 7, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One contract employee at the Evins Regional Juvenile Center, in Edinburg, tested positive for COVID-19 last night.
- TJJD currently has 10 active cases across its facilities (7 staff and 3 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
