## Update on COVID-19 at TJJD Facilities

October 19, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One member of the Office of the Inspector General’s staff at the Giddings State School tested positive for COVID-19 this morning.
- One staff member at the Gainesville State School tested positive for COVID-19 this afternoon.
- TJJD currently has 11 active cases across its facilities (8 staff and 3 youth).
- ICYMI: Read Executive Director Camille Cain’s [statement](#) from yesterday on the findings of the Texas Rangers investigation.

For more information about the agency’s response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
