## Update on COVID-19 at TJJD Facilities

November 8, 2021

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One staff member at the Giddings State School tested positive for COVID-19 this morning.
- TJJD currently has 7 active cases across its facilities (5 youth and 2 staff).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).
