Update on COVID-19 at TJJD Facilities

February 4, 2022

AUSTIN—The Texas Juvenile Justice Department provided the following updates today related to COVID-19:

- One youth at the Giddings State School tested positive for COVID-19 last night.
- At this time, TJJD has 43 active cases across its facilities (25 staff and 18 youth).

For more information about the agency's response to COVID-19, including cumulative case counts and timelines, please visit the [TJJD website](#).

For additional information, contact Brian Sweany at brian.sweany@tjjd.texas.gov.
