EXECUTIVE SUMMARY

3rd QUARTER FISCAL YEAR 2013

The Office of Inspector General (OIG) was initially created in 2007 following the enrollment of Senate Bill 103 as a law enforcement division within the Texas Youth Commission (TYC) for the purpose of investigating: crimes committed by TYC employees, including parole officers employed by or under contract with TYC; and crimes committed at a facility operated by TYC or at a residential facility operated by another entity under contract with TYC.

The aforementioned investigative criteria was expanded in 2009 as a result of the enrollment House Bill 3689 to include: crimes committed at any facility in which a child committed to the custody of TYC is housed or receives medical or mental health treatment.

In 2011, TYC and the Texas Juvenile Probation Commission (TJPC) were abolished, and the Texas Juvenile Justice Department (TJJD) was created following the enrollment of Senate Bill 653. OIG continues to function as a law enforcement division within TJJD for the purpose of conducting criminal investigations at facilities operated by or under contract with the state as previously stipulated. Additionally, Senate Bill 653 stipulates that any criminal complaint received by OIG relating to juvenile probation programs, services, or facilities shall be forwarded to the appropriate local law enforcement agency.

OIG quarterly reports are submitted to the following:

- The Governor;
- The Lieutenant Governor;
- The Speaker of the House of Representatives;
- The standing committees of the Senate and House of Representatives with primary jurisdiction over correctional facilities;
- The TJJD Board;
- The TJJD Executive Director;
- The State Auditor;
- The State Comptroller; and
- The Special Prosecution Unit.

During the third quarter of fiscal year 2013, OIG opened 654 criminal investigations and completed/closed 402 investigations. Also during this time period, OIG investigations resulted in 32 apprehensions, 21 indictments, 53 convictions, 38 adjudications, and 7 arrests.

This report, in addition to all previous OIG quarterly and annual reports, can be viewed online at the TJJD Internet website: http://www.tjjd.texas.gov.
TABLE OF CONTENTS

SECTION A - CASE TOTALS

Total Cases by Type................................................................................................................................................................. 4
Total Cases Opened and Closed.................................................................................................................................................... 5
Investigative Cases Opened by Secure Facility.......................................................................................................................... 6
Investigative Cases Opened by Halfway House......................................................................................................................... 7
Investigative Cases Opened by Contract Facility..................................................................................................................... 8

SECTION B - CASE TYPE BY LOCATION

Assault Secure Facility................................................................................................................................................................. 9
Assault Halfway House............................................................................................................................................................... 10
