OFFICE OF INSPECTOR GENERAL
Incident Reporting Center

2nd Quarter Report
December 1, 2008 through February 28, 2009
OIG was tasked with the operation of the Incident Reporting Center (IRC), which operates the SB 103, mandated hotline. The hotline was established on March 6, 2007, as part of the task force initiative as a means for youth, family, staff, and others to report violations and crimes that occur in relation to TYC. The IRC hotline is answered 24 hours a day, 7 days a week. Once a call is received, a determination is made in reference to it being criminal, administrative, youth rights issues or youth care issues. The complaint is then forwarded to the appropriate division for review and/or investigation.

Both bills require the submission of quarterly reports to the following:

- The Executive Commissioner;
- The Advisory Board;
- The Governor;
- The Lieutenant Governor;
- The Speaker of the House of Representatives;
- The standing committees of the Senate and House of Representatives with primary jurisdiction over correctional facilities;
- The State Auditor;
- The Comptroller; and on
- The Commission’s Internet Website.

During the second quarter of fiscal year 2009, the IRC logged 3,523 reports. Of the reports logged, 67 were closed, 455 were referred to OIG – Administrative Investigations Department, 265 were referred to OIG – Criminal Investigations Department, 1,029 were referred to Residential Services, and 2,188 were referred to Youth Rights.

You will note that there were some reports made in reference to facilities that are no longer Youth Commission facilities. Statistical data obtained for this report is based on the date the incident was reported to the IRC and not on the incident date, therefore when a report is received by the IRC hotline, the facility, even though it has been closed, will show up in the quarterly report.

This report along with all OIG quarterly and annual reports can be viewed online at the TYC webpage: [http://www.tyc.state.tx.us/oig/index.html](http://www.tyc.state.tx.us/oig/index.html)
