Standard.

Medical records are confidential and maintained in the Electronic Medical Record system, separate from the masterfile. Partial hard copy medical files are kept in a locked, secure room or cabinet at all times and are not accessible to youth or visitors. Access to medical records is in accordance with GAP.99.9. Medical records, other than immunization records and vision and hearing tests, cannot be released to parties not a part of, or not contracting with, TYC or UTMB unless proper consent is obtained.
