

## DMC Contact Point Definitions and Equations

---

- Referrals: Total number of formal referrals in the calendar year
  - $(\text{ReferralsN}/\text{JuvenilePopulation}) * 1000$
- Cases Diverted: Total number of formal referrals disposed in the calendar year, which were diverted prior to the filing of a petition for an adjudicatory hearing (e.g. Department or prosecutor actions). Diverted cases do not include those disposed by the court
  - $(\text{DivertedN}/\text{ReferralsN}) * 100$
- Detentions: Total number of formal referrals disposed in the calendar year that were detained prior to case disposition
  - $(\text{DetentionsN}/\text{ReferralsN}) * 100$
- Petitions: Total number of formal referrals disposed in the calendar year with a petition to the court requesting either a transfer or adjudicatory hearing. Only includes cases disposed by the court.
  - $(\text{PetitionsN}/\text{ReferralsN}) * 100$
- Adjudicated Delinquent: Total number of formal referrals in the calendar year in which the juvenile was adjudicated delinquent (e.g. Probation, Commitment, Certification)
  - $(\text{DelinquentN}/\text{PetitionsN}) * 100$
- Court Informal: Total number of formal referrals in the calendar year in which the court disposed of the case informally (e.g. deferred prosecution, supervisory caution, etc.)
  - $(\text{NoDelinquentN}/\text{PetitionedN}) * 100$ 
    - An RRI <1 indicates issue
- Adjudicated Probation: Total number of formal referrals adjudicated to probation by the court
  - $(\text{ProbationN}/\text{DelinquentN}) * 100$ 
    - If calculate based on DelinquentN, an RRI <1 indicates issue because only other options are more severe sanctions including TJJD and Certification
- Post-adjudication Placement: Total number of formal referrals disposed in the calendar year in which the court adjudicated the juvenile to be delinquent and ordered the juvenile to a period of secure confinement at the county level
  - $(\text{PlacementsN}/\text{DelinquentN}) * 100$
- TJJD Commitment: Total number of formal referrals disposed in the calendar year in which the court adjudicated the juvenile to be delinquent and ordered secure confinement with the state
  - $(\text{CommitmentN}/\text{CommitmentEligibleN}) * 100$
- Adult Certification: Total number of formal referrals disposed in the calendar year in which the court waived jurisdiction and sent the referral to criminal court
  - $(\text{CertificationN}/\text{CertificationEligibleN}) * 100$
