

KEEP IT CLEAN

Participants

Any even number of participants.

Time Allotment

5 Minutes

Activity Level

High

Materials

- Wadded up paper (from the recycle bin work well).
- Tape

Method

- Push chairs to the side of the room and tape a line down the middle of the room.
- Split participants into two teams, one team on each side of the dividing line.
- Give participants wadded up paper.
- On your “go”, youth begin throwing paper wads across the line—the goal is to keep objects off of your side of the room.
- When you call “time” the cleanest side (the one with the fewest objects) wins.
- Do best 2 out of 3 one-minute sessions
