**RULE**

(a) **Purpose.**

This rule provides for varying intensity levels of supervision for youth on parole status in a home placement or home substitute placement.

(b) **Definitions.**

For definitions of certain terms used in this rule, see [§380.8501 of this title](#).

(c) **General Provisions.**

- (1) Levels of supervision intensity are based on each youth's needs and the degree of risk presented to the public. The three levels of parole supervision are minimum, moderate, and intensive.
- (2) Upon release, all youth are initially placed on intensive supervision unless waived by the executive director or designee on a case-by-case basis.
- (3) The level of supervision is reassessed at least once every 90 days or sooner, as deemed appropriate by the parole officer. This reassessment may result in an increase, a decrease, or no change in the level of supervision.
