Executive Summary

Provide an overview of the proposed project.

Project Question

Identify the question to be examined.

Description of Data Requested and Purpose of the Data Requested

Itemize a comprehensive list of the requested juvenile justice information and/or data.

Provide a description of how the requested juvenile justice information and/or data relate to the project question.

Statement 1

Provide a statement describing why juvenile justice information and/or data are needed for the proposed project.

Statement 2

Provide a statement describing how the proposed project will benefit TJJD and/or the juvenile justice system.

Please Note:

- Juvenile justice information provided to TJJD by county juvenile boards is confidential and can only be released for research and other statistical projects. TJJD can only disseminate this information as permitted by §58.009, Family Code. The information is not owned by TJJD, and TJJD has not validated the information.
- If the request is unclear or if a large amount of information is requested, you may be contacted to discuss options for clarifying or narrowing your request. There may be charges associated with production of the requested information. You may find more information regarding the charges on the [Texas Attorney General's Public Information Act website](#).
- Any information that may reveal the identity of a youth will be redacted.
- For individual-level data, please visit the [TJJD Legislative Reporting and Statistics webpage](#) for information on how to request data for a research or statistical project.
