Statutes: Local Gov't Code §391.0091	Replaces: GAP.385.8163, 101/16

(a) **Purpose.**

This policy provides for Texas Juvenile Justice Department (TJJD) interaction with regional planning commissions when TJJD decentralizes a service to a multi-county region.

(b) **Use of State Planning Region.**

- (1) When a service or program is decentralized to a multi-county region, TJJD must use the services of a state planning region or combination of regions for the decentralization.
 - (2) In planning for decentralization of a service or program in a region, TJJD must consider using a regional planning commission for the purposes described in [§391.0091, Local Government Code](#), related to achieving efficiencies through shared costs, coordinating the location of services, increasing accountability, and improving financial oversight.
 - (3) The rule, order, or guide relating to decentralization of a service or program must state that TJJD complied with §391.0091, Local Government Code, in the issuance of the rule, order, or guide.
 - (4) This policy does not apply to a service or program that continues to be operated by TJJD through a regional or district office or to a service or program whose location in a single county or adjacent counties of the state is determined more appropriate than decentralization as a matter of law or agency policy.
